

# Claymark Centurion™ Protected Trim Boards and Siding

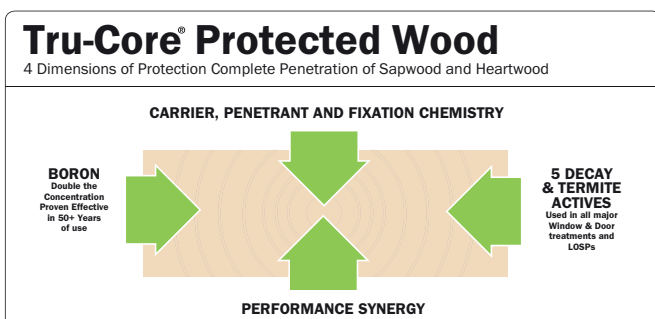

## Centurion Protection Technology

Centurion utilizes the Tru-Core process – the most advanced wood preservative system in the world.

- Unique carrier system penetrates microscopic channels in resins and glues
- 100% penetration of the Sapwood and Heartwood
- No damage to the wood structure
- No volatile organic solvents or harmful chemicals
- 3 EPA registered and globally recognized fungicides
- 2 EPA registered and globally recognized termiticides

## Claymark Centurion and Tru-Core 4 Dimensions of Protection (Diagram box)

- Carrier, Penetrant and Fixation Chemistry
- Boron – Double the concentration proven effective in 50+ years of use
- 5 Decay and Termite Actives
- Performance Synergy

Centurion Protection Process offers the following key benefits:

- 50 year warranty against Decay, Rot & Termites (including Formosan)
- Centurion is FSC® Certified – eligible for LEED points
- Durable and safe for both exterior and interior application
- No wood preservative field treatment needed on cut surface ends or drilled holes. Eliminates extra work in the field

## New Generation Sealer

- Resists water uptake
- Resists resin/tanin bleed
- 100% Solids eco friendly technology
- UV cured seal coat

## 100% Acrylic Primer & Undercoat

Centurion primer system utilizes new generation Acrylic technology

- Waterborne technology
- 100% Acrylic composition
- All 4 sides are evenly coated
- Centurion has a 5 Year Limited Primer Warranty

## 50 Year Limited Warranty

Centurion products have an industry-leading 50 Year Limited Warranty against any fungal decay/rot and insect attack (including Formosan termites).

The same components used in Centurion are used by 90% of North American Window companies to protect windows!

1 x 8 x 16'  
 1 x 10 x 16' & 20'

## 3 LAP SIDING

1 x 8 x 16' & 20'  
 1 x 10 x 16' & 20'

## RAB SMOOTH FACE R/S BACK SIDING

3/4 x 6 x 16' & 20'  
 3/4 x 8 x 16' & 20'

## TRIM S4S & S1S2E

16' & 20'  
 1x2, 1x3, 1x4, 1x5, 1x6, 1x8, 1x10, 1x12,  
 5/4x4, 5/4x5, 5/4x6, 5/4x8, 5/4x10, 5/4x12  
 2x2, 2x4, 2x6, 2x8, 2x10, 2x12

**Ingrained Precision™** is at the heart of all Claymark products where only the finest New Zealand-grown radiata pine is good enough for our products. If the end result is anything less than perfect, it never leaves the factory.
